

## **A LIGHT NIGHT**

You've no need to light a night-light,  
On a light night like tonight.  
For a night-light's slight light,  
And tonight's a night that's light.  
When a night's light, like tonight's light,  
It is really not quite right,  
To light night-lights with their slight lights,  
On a light night like tonight.

And don't take flight on a quiet night,  
On a quiet night like tonight.  
For a quiet night's flight might,  
Show you that night flights,  
Even slight flights,  
On quiet nights,  
Are fright nights,  
So if you can take flight,  
Fly on bright nights,  
For a night night's flight's alright.

Goodnight!
