

## KING ARTHUR – THE WIZARD OF OZ

*After King Arthur dies, Queen Guinevere changes, and becomes an evil, selfish Queen, who desires all the riches a woman could have.*

**Queen** Go and get me the Holy Grail, so that I may have the almighty powers it promises

**Demlin** Your wish is my command

**Queen** Prepare and leave, and be back by dusk tomorrow.

*Shemlin, a servant girl overhears this conversation.*

**Shemlin** Please take me with you, so that I can escape the clutches of the evil queen.

**Demlin** Well, I don't know. It could be very dangerous. Oh... okay

*Demlin and Shemlin leave and go off singing.*

**D/S** We're off to see the wizard, to find the Holy Grail. Because, because, because, because, because the wicked old queen has ordered us!

*While walking, they are surprised by a gallant knight, who jumps out from the thicket.*

**Knight** On guard! I shall fight you till the end!

*Demlin pushes Shemlin aside and duels the knight. After he finishes the knight with a final blow, with his dying breath he says...*

**Knight** Beware the witch...

*The two wonder what the knight has said to them, when an ugly old witch stops in their path.*

**Witch** EEEH EEH EEEH EEEEEH! I am going to have you as my slaves!

**Demlin** Quick! Shemlin! The strawberry jam!

**Witch** No, no, no! Not the strawberry jam!

*Shemlin throws the jam at the witch.*

**Witch** AAAAAAHHHHHHHHHHH

*The witch disappears into dust. They then continue the journey but are frightened by a loud roar as they find a dinosaur.*

**D/S** You don't scare us!

*Shemlin smacks the dino on the nose. He is upset.*

**Dino** I'm always being branded as a coward! I haven't any courage at all.

**Shemlin** Oh you poor thing! Why don't you come with us? We're going to see the wizard so that he can tell us where to find the Holy Grail. Maybe he could give you some courage.

**Dino** *Sniffing...* Could I really come with you?

**Shemlin** Of course!

*Running off again on their journey, Demlin spots someone reading a book in the forest. Running towards him, they realise this is the wizard.*

**Wizard** Well, hello! How are you today, on this lovely, fine afternoon?

**Demlin** Oh! Fine thanks, but we've come to ask you a few questions.

**Wizard** Oh goody! I love to help people out. What is it?

**Demlin** Could you help us find the Holy Grail?

**Shemlin** And could you give Dino some courage?

**Wizard** Of course! Of course. But on 2 conditions. 1, you must kill the wicked witch of the weeties. And 2, set free 2 snakes who are confined to a tree which hides the Holy Grail, on orders of the witch.

**Shemlin** But we've already killed the wicked witch!

**Demlin** And we'll set free the snakes when we find the tree!

**Wizard** ABRACADABRA! There, now you have your courage too!

**Dino** ROARRRRRRR

**Wizard** Now, I will tell you how to find the tree. Take 2 steps to the right, 3 to the north, walk back 5 steps, turn around the corner, and there, you'll find the large oak tree with the 2 snakes guarding it.

**All** Thank you Mr. wizard!

*They all run off in different directions, bump into each other and fall over.*

**Dino**            *Looking up...* Doesn't this look like the tree the wizard was telling us about?

**Demlin**        Yes! Oh yes! We've found the tree!

**Snake #1**      Chop down the tree with Exssssscalbar. You will find the Holy Grail to the right.

**Snake #2**      But only an exxxxxceptional person can pull it out of the rock.

*Shemlin, boasting, tries to pull it out and falls over. Dino does not succeed either, however Demlin does with ease. He cuts the tree, sets the snakes free and sees the Holy Grail.*

**All**              We've found it! We've found it!

**Demlin**        *Kneels down...* Oh Shemlin! When we deliver the Grail to the Queen, will you marry me?

**Shemlin**        Of course!

*They pause and awkwardly look at Dino.*

**Demlin**        Oh, Dino. Will you be our pet... dinosaur?

**Dino**            Yes! Will you be my master?

*They head back after hugging one another singing.*

**All**              We're off to see the queen, to give her the Holy Grail. Because, because, because, because... The queen has ordered us to.
